

**2020 ANNUAL LETTER OF QUALIFICATION
to
MIL-I-43553, REVISION A
for
M-SERIES MARKING INKS**

To:

This Letter of Qualification applies to all M-Series products manufactured by MacDermid Enthone.

The undersigned certifies that MacDermid Enthone's M-Series inks are qualified to the requirements of MIL-I-43553, Revision A as follows:

Type I: All available colors with all available catalysts.

Type II: All available colors with all available catalysts EXCEPT:

- M-0-N
- All inks cured at room temperature with Catalyst 20/A

Certification test reports are available upon request for a nominal fee.

When ordering inks to this specification the "type" ink must be specified.

Product shelf life is warranted from the date of manufacture.
